## ROMAN Blinds

### Key Features

Roman blinds are a neat, elegant window option available in a selection of contemporary styles to suit any décor. Enjoy a clear view by day, and complete privacy at night.

- ▶ Motorisation option available
- ▶ Excellent insulation for energy efficiency and sound absorption
- ▶ Custom-made to fit any window

#### CALIFORNIAN ROMAN Blinds

Fitted with timber battens, Vista's Roman style blinds combine the natural beauty of timber with the texture of fabrics.

#### KIMONO ROMAN Blinds

A modern interpretation of an ancient oriental style that brings a calm serenity to your living spaces. Available in bright and strong or soft and natural tones.

#### SORRENTO ROMAN Blinds

Sorrento is all about creating serene moods. A Roman blind with casual simplicity that fits easily into any setting.

## VERTICAL Blinds

### Key Features

Vertical blinds add height to any room, and are particularly popular with large windows and sliding doors. Enjoy total control over light and privacy, with translucent, dim-out and room darkening fabrics.

- ▶ Child friendly SafeTrak® system
- ▶ Jacquard textured fabrics with colour coordinated backing

#### VERTICAL Blinds

Vertical blinds make a strong statement by adding an impression of height. Most fabrics are available in matching roller blinds and pelmets.

#### PANEL Blinds

A practical and stylish choice, offering a simple, natural look. The contemporary panels stack neatly out of the way, perfect as a screen for large windows or doors.

#### DRAPEFOLD Blinds

Revolutionary new Drapefold blinds combine the practicality and impressive look of a drape with the clean uniform folds of a blind.

#### SHEERFOLD Blinds

Soft-fold louvres add a delightful texture over the full length of the blind. You control the ambience of the room by rotating the louvres from 'see thru' to privacy.

# ROLLER Blinds

## Key Features

When it comes to function and affordability, the roller blind is streets ahead. So simple, yet the designer options are endless, with a huge range of colours and styles from light filtering to room darkening – or both.

- ▶ Optional sidewinder control chain system
- ▶ Motorisation option available
- ▶ Ideal for any room in the home including kitchens and bathrooms

### MOTORISED ROLLER Blinds

A superb choice of bold, beautiful, plain or patterned blinds in a wide range of trims and finishes, with an optional side winder chain control system or electric roller motor.

### ROLLER CASSETTE Blinds

For an elegant, uncluttered, streamlined look, roller cassette blinds have their easy-to-use operating system neatly tucked away in a cassette.

### DOUBLEVIEW Blinds

Two roller blinds in one system. One sheer or translucent blind for soft diffused light; the other a blackout blind for total privacy and light control.

### SHEERVIEW Blinds

This unique sheer sunscreen fabric diffuses light and reflects UV rays, maintaining your views and allowing you to see out by day, without being seen.

## VENETIAN Blinds

### Key Features

Timber, aluminium, fabric or Foamwood – there's a style of venetian blind to suit every budget, every style home and every room, including kitchens and bathrooms. Popular and timeless, you can't go wrong.

- ▶ Can be custom-made to suit any size window or door
- ▶ Available in timber, aluminium, fabric or affordable Foamwood
- ▶ Total control over light and privacy

#### VENTEX FABRIC VENETIAN Blinds

Made from soft, 100% polyester yarn, these blinds gently diffuse the light and soften the atmosphere in your home.

#### ALUMINIUM VENETIAN Blinds

Available in 25mm and 50mm. Vista's aluminium venetians are bold, sleek and contemporary. Smart controls mean adjusting light and privacy is easy.

#### PVC FOAMWOOD VENETIAN Blinds

An affordable way to enjoy stylish venetians. Available in a selection of finishes and two slat widths.

#### TIMBER VENETIAN Blinds

Control privacy and light with Vista's venetian blinds to provide an extra degree of security.

## CELLULAR Blinds

### Key Features

Environmentally friendly, energy saving cellular blinds have unique insulation qualities that help maintain a constant room temperature and save money on heating and cooling bills.

- ▶ Custom-made
- ▶ Child-safe
- ▶ Light filtering or room darkening

#### SOFTVIEW CELLULAR Blinds

Control privacy and light with the one fashionable blind. Great for day and night conditions, the cellular design also has insulation benefits that will save you money.

# CURTAINS

## Key Features

Curtains can transform a room and offer designer options and decorator colours that will add personality and drama to any room. Easily coordinated with Vista's range of blinds and accessories.

- ▶ Motorisation option available
- ▶ Excellent insulation qualities for energy efficiency and sound absorption
- ▶ Custom made to suit any window

## CURTAINS

Curtains are versatile, practical and beautiful, and Vista's exciting range of colours, designs and prints can create a look that complements or contrasts with your accessories and furnishings. From elegant and traditional, through to colourful and contemporary, you'll find the perfect curtain for any room in your home.

## SIDE DRAPES & VALANCES

These perfect finishing touches are available in a wide range of fabrics and patterns. Add the elegance of Vista's side drapes to existing window coverings.

## CURTAINS & PELMETS

Achieve a totally co-ordinated effect by teaming side drapes with venetian or roller blinds. Finish with matching pelmets and tie-backs, and the designer look is complete.

# SHUTTERS

## Key Features

Perfectly suited to the Australian climate, shutters allow a free flow of air into your home, while providing privacy and protecting your furnishings and carpets from harsh sunlight.

- ▶ Available in a range of timber finishes and affordable Alycore
- ▶ Individually designed and custom-made
- ▶ Motorisation option available

## SHUTTERS

Vista's shutters are both beautiful and practical. They are an excellent way of controlling light, privacy and airflow, and can be custom-made to suit any size or shape window or door. The timeless appeal of shutters will give your home a classic designer look, whether you choose the warmth of natural timber in a range of stains, classic white or durable, practical PVC. Ask your consultant about our exclusive Alycore Shutters that will stand the test of time!

# SAFETRAK®

Vista takes its responsibility to child safety very seriously.

The loops of pull cords and chains of some window coverings can pose a potential hazard to young children, who may become entangled in them. Mandatory safety standards now apply to all corded internal blinds and curtains. A simple but effective safety measure is the installation of a tension device that is anchored to the wall or floor so that young children cannot play with cords or put them around their neck.

## Vista's child-safe range

Vista's child-safe range includes the SafeTrak® wand system, cordless Kinetic blinds and Oma electric blinds, which all eliminate the need for cords and chains that may prove potentially dangerous. So when choosing your new blinds, make the choice for a safer environment for babies and young children, as well as for easy, practical control of light and privacy.

## SAFETRAK® TRACKING SYSTEM

This single wand system, available on a range of Vista vertical blinds, gives you easy control over light and privacy levels and makes it safer around children and pets.

## Key Features

*Outdoor awnings allow you to use your outdoor areas all year round, effectively creating extra living room. They also protect your doorways and windows from hot sun and inclement weather.*

- ▶ *Protect your windows and outdoor living areas from the sun*
- ▶ *Rooms stay cooler, furnishings are protected*
- ▶ *Extra living space you can use year round*

## OUTDOOR AWNINGS

Keep the harsh sun at bay with Vista's folding arm awnings, ideal for use over either windows or doors. From colourful plains or stunning stripes in quality acrylic canvas or sun screen fabric – Vista has a huge range of designer fabrics to choose from. All our easy-to-operate outdoor awnings are fitted with Vista's highest quality, toughened components to ensure a long lifespan.
