

Chairs, chairs and more chairs

15% OFF

Massive Discounts

15% off all resin chairs this month only!

Resin = reliable, robust and resistant

Design and shaped for maximum comfort with some including strong, sturdy arms for extra support.

Made from the latest generation of air moulding technology and reinforced with glass fibre.

UV stabilised, weather resistant, and suitable for indoor and outdoor commercial use.

Stackable and backed by 2 year commercial warranty.

Tried and test in Australian market for more than 10 years.

Designed to drain water.

European quality long-lasting durability
