

junior toilet

DESIGNED SPECIFICALLY FOR THE ERGONOMIC, SAFETY AND HYGIENE NEEDS OF CHILDREN AGED FROM THREE TO SIX YEARS OLD

Our Junior toilet is aimed at **schools, pre-schools, childcare centres** and other places where their style, function and uniquely tailored advantages are needed.

This child friendly toilet from IFO, recognised for their easy to clean design

with fully glazed back and inside rims to help **avoid bacteria growth**.

This functional free-standing toilet, features a **low rim height** and is supplied with a **dedicated toilet seat**. Enhanced back support is given as the cistern is

bolted onto the pan. Economical with a 4 Star WELS rating and 4.5/3L dual flush.

This Junior Toilet also **meets the accessible requirements for AS1428.3** for ambulant children aged from 3 to 6-1/2 years.
